

Justice That Transforms: Restorative Justice — “Not Enough!”

Acknowledgements

Thanks to Ron Dart for the Introduction; Otto Driedger for the Foreword. Thanks also to Bruno Van Der Maat for permission to use his 2017 presentation in Chapter 8.

Thanks to Esther for patience in allowing me to spend inordinate hours at getting this project to publication.

(Daily) thanks to God for enough health, peace, energy, joy and freedom to do this work. Acknowledged, that Esther and I are fortunate/privileged beyond measure and desert. And we want to “give back” in (all-too-)inadequate gestures of gratitude. . .
